Brief explanation of activities

Introduction of the topic: Leprechaun's are fairy-like creatures. They are shoemakers who keep the money they make in pots of gold! Sometimes they have so much gold that it spills out onto the ground for people like you and I to find. Flynn O'Coogan is a very cheeky leprechaun, he likes to play games and have fun. But he doesn't like to be seen. On this camp we are going to play games and learn about Flynn. We are going to help him find his lost coins, and his pot of gold which is said to be at the end of the rainbow and then maybe, just maybe we will get to see him!

Make your own leprechaun: in the arts and crafts activity the students will make their own leprechaun! They can give him a name and they can design his house!

The rainbow game: A rainbow is a very important thing for the leprechauns as it is the portal to the leprechaun's world. The students are going to play a lot of small station based games that are themes around rainbows and colours.

Find the leprechauns coins: because the leprechauns make so much money making shoes (they are the most skilled shoemakers) they have pots overflowing with gold! The students are going to help the leprechaun by using their flashlights to collect all the hidden coins!

Trekking: The students will go and explore the surrounding areas, play games, sing songs, interacting and speaking in English with the monitors.

Outdoor Games: The students get to play some well-known and some unknown outdoor games, interacting with their friends and the English monitors.

Animal games: All living things are very important to the leprechauns; they are very curious creatures who always want to learn – especially about animals. The students are going to play different games related to animals.

Create the leprechauns town: Earlier in the camp the students would have created a house for their leprechaun. Now in their groups the students are going to create a leprechaun town. They can use their already made house, but then they can add shops, schools and other buildings that they want.

St Patrick's Day party: Let's decorate the house with shamrocks and rainbows!

Rainbow poster: The groups are going to make a large rainbow poster, each group responsible for their own colour!

Find the pot of gold treasure hunt: A well-known activity but with an Irish twist.
