Brief explanation of activities

Introduction to the topic: The students are going to be introduced to the Taniwha! Taniwha are supernatural creatures in Māori tradition, similar to serpents and dragons in other cultures. They were said to hide in the ocean, rivers, lakes or caves. Some Taniwha were believed to be guardians for a tribe.

The students are going to join an Iwi (Maori Tribe) each iwi is going to be based around a type of location in nature e.g. Sea Tribe, Forest Tribe, and Cliff Tribe etc. Each tribe will have their own Taniwha as a guardian!

Arts & Crafts.- Let's make a Taniwha: The student have learnt a little bit about the Maori creature the Taniwha, now they are going to create their own!

Team building activities: These are activities that involve group participation! The students must work together to complete a number of different fun but possibly challenging activities that have been adapted to the topic of the camp.

NZ Hierarchy Game: A strategy game using the winning, losing and trading of different cards. It involves skill, thinking and a little bit of luck.

Night Game.- Maori Tribal Wars: The students are going to compete in their Iwi's (Maori tribes). Using cards they are going to challenge other Iwi's for control of the area! The more cards they collect from the other teams the more likely they are to win the game!

Trekking: The students will go and explore the surrounding areas, play games, sing songs, interacting and speaking in English with the monitors.

Outdoor Games: The students get to play some well-known and some unknown outdoor games, interacting with their friends and the English monitors.

Arts & Crafts.- Maori Culture Crafts: The students will get to try a number of different crafts related to Maori culture such as flax weaving, poi making and creating their own Maori stick games; they can even design their own Maori face tattoos which they can draw on their friends. The crafts they create here can be used later for the traditional Maori games.

Traditional Maori Games: Maori culture has a lot of traditional games, including stick games, ball games and games using poi's (which they will have made earlier in the Maori crafts workshop)

Maori Rōpū: Let's have a rōpū, which is party in Maori!

Maori Myths & Legends Activity: The students are going to complete a number of different stations with different games and activities related to Maori myths and legends!

Treasure Hunt: A well-known activity but with a New Zealand twist.
